

ORDERING SIGNS

-Instructions-

To order signs, please complete the order form on the following pages, and email it to sales@DeeSignCa.com. In your email, please reference account# U01081. If you have special instructions, please call Dee Signs (after emailing your order form) at: (888) 791-7446.

Dee Sign Company has the layout and design for our sign templates in stock, so all you need to do is provide them with the information that you would like printed on the sign (i.e. name, phone#, email, website, etc). They will prepare a proof, and email it to you for your approval. Once approved, they will send your order to print and store the finished signs in their warehouse. The entire process takes about 14-21 days. At this point, whenever you would like to put up a sign, you can simply call them with the property address and they will send a driver to install your sign at the specified location (usually takes 24-48 hours).

Please note: If you already have a preferred sign installation company, you may use Dee Sign Company for printing, and then instruct them to mail your finished signs (after printing) to your preferred company to be stored in their warehouse. At this point, whenever you would like to put up a sign, you can simply call your preferred sign company for the installation.
